

The significant quick distances Cologne-Frankfurt and Hannover-Wurzburg run beside other federal states also through Hessen. Also important east west connections between Wiesbaden / Mainz via Frankfurt as well as Hanau to Fulda or castle Aschaffenburg or Fulda or Kassel via Bebra to Eisenach and Erfurt Hessen. On account of the good extent of utilization of this railway network the capacities are exhausted nearly completely. In the German railroad traffic the Frankfurt central station as the most important turntable has a central meaning. Here you see our videos.
